

M&T

M&T is a design unit led by Miyu Ikeda and Takuto Kurashima. With a focus on product design, they work across furniture, everyday goods, installations, and creative direction. Their approach is defined by a meticulous examination of essence, continuously exploring the relationship between aesthetic presence and functionality.

M&Tは池田美祐と倉島拓人によるデザインユニット。プロダクトデザインを軸に家具、生活用品、インスタレーションなどのデザインとそれらに付随するクリエイティブディレクションを手掛ける。入念な検証による本質を捉えたデザインを特徴とし、美しい佇まいと機能の関係性を常に探求し続けている。
